**Disaster management equipment
for East police stations**

SE Report

GANGTOK, July 2: Disaster management equipment and items were distributed to all the nine police stations under east district here today.

East district collector Kapil Meena and SP (east) Hem Raj Rai were present on the occasion. The equipment included safety helmets, combo tools, stretcher folding, search lights and were collected by the respective SDPOs and SHOs, an IPR release informs.

The DC asked for cooperation of the law and order representatives and said

it should be a combined effort of the administration and police to evade unfortunate disaster management situations. He said with the ongoing monsoon situation, minor damages to various infrastructures including roads and private properties can be hampered. He said such damages would be verified at the earliest by field staffs of the Land Revenue & Disaster Management department.

DPO Sonam W. Lepcha briefed the gathering about disaster management situations and said together with better cooperation and coordination, disasters can be averted with quick and efficient responses.
