## MLA inspects road

**AJAYTHAMI**

**PAKYONG, July 17:** Nameheybong MLA Em Prashad Sharma today urged the concerned contractor for early carpeting of Lalturining-

Basilakha road in the constituency.

The MLA accompanied by ward panchayat Kisan Subba, contractor Kailash Rai and local public had today inspected the eight-kilometre

Lalturining-Basilakha stretch.

The local public had been facing hardship for years due to the pitiable condition of the road and the recent rain fall that lasted for over a week had further deteriorated the road.
