Road swept away in Pakyong

AJAYTHAMI & DICHEN ONGMU

PAKYONG/GANGTOK, June 7: A sizeable chunk of the road connecting Pakyong with villages of Ganchung, Linkey, Parakha, Machong, Rekep, Barapathing and Lossing was swept away near Pachey bridge at 3rd Mile today

morning after a continuous rainfall for two days.

Pakyong collector Tashi Chophel said that an alternate route to the villages, a detour from Mamring, was being used. "The road will be restored at the earliest and for now they can use the designated alternative routes."

Chophel said a team of officials from Pakyong district

visited the site wherein they proposed of putting up a 25 metre-long Bailey bridge as a temporary solution for now to which the concerned department has agreed.

Roads & Bridges AE Prasun Pradhan said it is expected to take at least 15 days to restore the road at Pachey bridge.
