# Landslides block Pakyong-Assam Lingzey road

**AJAYTHAMI**

**PAKYONG, August 24:** The Pakyong to Assam Lingzey road is blocked due to Monday night landslides near Samsing Shanti turning. Incessant rains had triggered the landslides in the area.

It may take time to clear the debris. Vehicles would now have to take a diversion from Assam Lingzey via Saramsa to reach Pakyong.

In past, landslides had also washed away the road in the same area. Similar landslides of Monday night have endangered the residents above the road.
