# Mock exercise on Common Alert Protocol for disaster management

## SUMMIT REPORT

**GANGTOK, 05 MAY:**

A mock exercise on Common Alert Protocol (CAP) was organized by Sikkim State Disaster Management Authority (SSDMA) in collaboration with C-DOT today at the State Emergency Operation Center conference hall, an SSDMA press release informs.

The training involved all the stakeholders present in dissemination of short SMS on Covid-19 safety measures with Telephone subscribers falling within the area selected through geofencing of the Tashiling

Secretariat, the release adds.

C-DOT gave an overview of the project which will be based on the dissemination of Early Warning pre, during, and post-disaster through SMS to the public.

The exercise was

chaired by Sarala Rai, Commissioner cum Secretary, LR&DMD, and was held under the supervision of Project Manager, NDMA, Diksha Nagpal, along with representatives from CDOT, IMD, and Telephone service providers of the State.
